2017 LODI CABERNET SAUVIGNON

ABOUT THE BRAND – Go ahead. Close your eyes. Breathe the air. Feel the sun on your face. Let your mind wander. When our Winemaker, Steve M. sauntered into our beautiful estate vineyards planted on the rich, sandy loam soils in Lodi, he was inspired to follow his path in crafting a resplendent collection of wines that capture the carefree feeling of drifting. Go ahead and taste the delicious wines Steve M made from the vines he fell in love with. Take a sip. Let your mind wander. Choose your own path.

WINEMAKERS NOTES – Such is the case when aromas of black currant, dark cherries and raspberry jam lead to an ethereal array of dark fruit flavors and a light touch of toasty French oak.

CHEF RECOMMENDATIONS – If your path calls for something off the grill, consider a ribeye steak seasoned with salt and pepper, a coffee rubbed pork tenderloin or a plump, spice-rubbed chicken. Lighter dishes work well, such as creamy pasta with roasted tomato sauce or a rich Bolognese sauce. If your thoughts drift toward dessert, perhaps a molten chocolate cake would satisfy your wanderlust. Whichever direction you take, a pleasant experience awaits.

BLEND DETAILS – Cabernet Sauvignon (80%), Syrah (10%), Cabernet Franc (10%)
