*"Intense and concentrated blackberry flavors rise above thick tannins in this full-bodied wine. Aromas suggest boysenberry, smoke and clove, while the flavors taste more like blackberry jam. Although the texture is dense and tannic, it stays velvety rather than drying. This will be great now with ribs or roast venison, but will easily go through 2020."*

*"Bright berry flavors and rich, chocolaty accents make an indulgent combination in this full-bodied and suave-textured wine. It tastes as if a good dose of new oak was used in the aging process, lending vanilla and nutmeg aromas and a sensation of sweetness. Fully ripe grapes give strawberry and blackberry notes."*
