Buying a bottle of Chardonnay shouldn't be complex. The world loves Chardonnay because of its clean, fruity, yet dynamic characteristics. It is just an all-around great wine.

Medium bodied with a delightful pale yellow hue, the **2014 Leaping Horse Vineyards Chardonnay** is bright and crisp from start to finish. It has citrus highlights to green apples and tropical fruit aromas and flavors. The finish hints to a bit of lemon zest and a tight minerality that is enjoyable and refreshing.

### *Chef Recommendations:*

This wine is excellent with vegetarian pastas, herb roasted chicken, grilled salmon, barbecued scallops or a seafood pasta in cream sauce. Also, wonderful on it's own.
